Reach for the Stars

Dear parents and carers,

Firstly, well done and thankyou to the PTA for the Christmas Fair on Friday, the children really enjoyed it and I hope they managed to raise what they wanted. Thankyou to all who sent such lovely presents in to support this event.

Additionally, thanks to the PTA for the donation of Christmas crackers and juice for the school Christmas lunch and for funding the cost of the trip to the pantomime, also for gifting £200 to each class towards school trips. Your work is much appreciated by us all.

The last couple of weeks have been very hectic in school but it has been lovely to see such great work coming from each class. Last week Class 1 were particularly proud of their watercolours and new sketch books, class 2 were enjoying sweet and sour carrot from a roman recipe and class 3 were spying on everyone through their home made periscopes!

We have really focused on **resilience and perseverance** as important learning behaviours over this half term and the children are rising to the challenge and trying hard not to use the 'I can't do it' phrase but change this to 'I don't get it.....yet!'. Please help your child to keep building their resilience as this life skill is incredibly important to their learning and progress.

Unfortunately, Mr Taylor has recently gone off ill and will not now be back until the end of term. We have worked hard to provide consistency for Class 3 and I have personally planned the work so I know they are covering what they need to during this time. This is not ideal and I know it will cause worry to children and parents alike, coming alongside Mr King's absence. It has been difficult to address parents about the issues affecting the school as answers are not really very clear, however I appreciate that many of you will want your chance to ask questions and hopefully be reassured, so myself and Claire Denny (Chair of Governors) would be happy to meet with parents on Friday 14th December, after school, if there are any questions/issues you would like to bring to our attention or just ask openly. We may not have all the answers but I hope we can reassure you that as a team here at Cheswardine we are trying our very best to do the best we can for all the children and the school.
