

## REACH FOR THE STARS

Cheswardine Primary and Nursery School is a village school with 63 children on roll from 2-11 years old.

The school currently runs a flexible system, involving 4 teachers and a Nursery team:

Nursery: 2-4 year olds

Class 1 - R, Y1 and Y2

Class 2 - Y3, Y4 and Y5

Class 3 - Y6

The ethnic background of the pupils is 99% white British. The pupils come from mixed social backgrounds mainly from the village and outlying parish.

Our admission number is 12. Recently we have suffered from falling numbers on roll.

The Governing Body play a key role in the management and development of the School. The Acting Interim Headteacher took up post in September 2018 and since then all staff and governors have been working hard to develop a vision for the school and to build a collaborative working environment between Hinstock Primary School where she is substantive Headteacher and Cheswardine. The two schools are currently consulting on becoming a federation to maintain stability going forward into the future.

We are a very supportive team who are all committed to seeing Cheswardine and Hinstock become the best it can be for the local communities.

There is a very active PTA who over the years has raised a substantial amount of money to support teaching and learning in the classroom through educational visits, provision of equipment and resources.

All parents are welcome in school and we work in partnership with them to support the children's learning.
