Dear Parent / Carer

School Milk Is Available For All Children

If your child is currently under 5, they should already be receiving free milk under the UK Government's Nursery Milk Scheme, facilitated by Cool Milk.

When your child turns 5 or if they are already over 5, you have the option to pay for their milk.

What you need to do:

If you wish to continue your child's milk provision following their 5th birthday, please complete the registration process below:

Visit www.coolmilk.com as soon as possible and select "Register your child for milk here", then follow the on-screen instructions to register and pay.

If your child is over 5 and entitled to benefit-based free school meals, school will fund the cost of their milk on your behalf. Please contact the school office if you think you may be eligible.

A portion of fresh, chilled milk at mid-morning break provides protein, calcium and other vital nutrients, important for your child's growth and development. It's also a great way to bridge the gap between breakfast and lunch, re-hydrating your child and helping them to concentrate in class.

Should you have any queries regarding your child's registration or milk supply, please do not hesitate to contact Cool Milk directly at customerservices@coolmilk.com or call 08448542913. All information handled by Cool Milk is processed in accordance with current Data Protection Legislation. The data will be stored securely on Cool Milk's UK-based servers and will not be passed to third parties other than to UK Government departments for audit purposes.

If you do register, please would you advise the school office. Thank you.

Yours sincerely

The School Office
