School wish list

AB sent her apologies, she sent her thanks to all PTA for all the hard work for the fundraising they have done.

School have asked for new Hula hoops and a basic cooking ingredients float to be kept at school, so school can get ingredients when needed. All agreed we would fund these for school. KW to contact AB about this.

Also discussed the outdoor area for class 1, KW said she will look into this.

Events since last meeting

Since the last meeting we have been very busy. We have done Bags to school, Halloween hunt, Quiz for adults and children, Lockdown book which is in progress and the very successful Christmas walking market (which we had a week to organise)

All agreed what a fantastic amount to raise during the difficult time we have had, lots of effort and time has gone into all fundraising to ensure we were Covid safe aswell as the

children still being able to enjoy themselves. We also have a great community in Cheswardine. We would like to thank all involved who donated, had a stall, helped set up, and gave up a drive way. Thankyou cards and gifts will be sent out to all who kindly helped.

Future events

Discussed what events we could do in 2021 with social distancing still being in place for the foreseeable future.

Bbq and outdoors cinema/theatre

Valentines day trail

Easter egg hunt and Easter bonnet making kits

Mother's day baking competition

Father's day breakfast baps and mini golf

All to be discussed in future meetings

Lockdown books to be completed by KW and put on sale in January

Community events and involvement

As we felt the Christmas walking market was a success and was brilliant to be able to involve the community we would like to do similar things in the future.

- Newsletter – Kw will do another PTA newsletter following the minutes.
