Goldstone Federation

1st December 2020

GOLDSTONE FEDERATION VISION AND VALUES

Dear Parents and Carers,

I would like to draw your attention to the new Vision and Strategy document that has been adopted by the Goldstone Federation Governing Body and posted on the school website.

I know that this might sound really dull and some may question "what has this got to do with my child/children?", but I would strongly advise you to read the document and please engage with the school to help us all reach our common goal.

The Governing Body recognised that after our schools federated last December, a new strategy needed consideration as we had not bargained on a worldwide pandemic! To this end we have developed a focused vision and strategy to enable staff, governors, parents and carers to reflect on our goals in getting the children through these troubled times with as little detriment to their continued successful development as possible.

I hope that this document is adopted by everyone and that it helps us work better together, support each other, whilst realising what strange times we currently live and work in.

Should any of you have any queries about the Vision and Values and how it can focus our aims, please do not hesitate to get in touch with me by email at governors@hinstock.shropshire.sch.uk.

Kind regards,

James

James Cartwright
Chair of Governors, Goldstone Federation

Goldstone Federation Together we SHINE

Vision and Values

The Goldstone Federation is committed to provide a stimulating, high quality learning and teaching environment for all children within a calm, caring and co-operative atmosphere where **learning is fun**.

Our Aim is for children to SHINE ... to be Successful, Happy, Independent, Nurtured and Empowered.

Our Vision

Considering the COVID-19 pandemic, the current vision of the Goldstone Federation is for every child to achieve an academic level appropriate to their age and ability, delivered with a broad and balanced curriculum, by Easter 2022.

In recognition of the new and ongoing pressures, we want to build mental, emotional and physical wellbeing resilience throughout the school community.

Our Strategy

The Goldstone Federation will fulfil the vision by:

- Focussing on Year 6 pupils to deliver the vision before they leave their primary education in 2021.
- Giving extra consideration and support to SEND pupils so that they can achieve their full potential.
- Ensuring that disadvantaged pupils have access to the resources and support to work towards closing the gap.
- Supporting staff to continue to grow professionally and emotionally. Additional support will be dedicated to enable this to happen and to drive resilience for the future benefit of the Federation.
