22.3.21

Dear Parents,

OFSTED Monitoring Inspection 23.3.21

Tomorrow we are going to be inspected by OFSTED in a remote monitoring visit. The aim of the inspection is to check on whether leaders and governors are taking effective action to provide education in the current situation. They will be talking to staff, leaders, pupils and governors to see how we are doing and how we are journeying towards improvement since our last inspection in September 2019. The inspection will take place remotely via teams over the course of the day.

As part of the inspection process the OFSTED notification contains links so that parental views can be collected. I am very proud of the way we all, parents, pupils and staff, responded to lockdown teaching and learning and am sure this will be reflected in responses. This is the section of the letter for guidance and to use to follow the links:

Recommended text to parents

Ofsted is inspecting your child's school remotely and we would like to know what you think about the school. Your views about the school are important to us.

If you are a registered parent or carer of a pupil at the school (including pupils on sick leave or who are temporarily excluded), you can tell us your views about the school by completing Ofsted's online survey, Ofsted Parent View, at:
www.parentview.ofsted.gov.uk.

Ofsted Parent View asks for your opinion on some aspects of your child's school, including the progress made by your child, the quality of teaching, how the school deals with bullying and poor behaviour. It also provides a free-text box for you to make additional comments, if you wish. The inspectors will use the online survey responses when inspecting your child's school.

To register your views, you will need to provide your email address, which will be held securely. It will not be used for any purpose other than providing access to the online survey. Neither schools nor Ofsted will have access to any email addresses.

Please complete the online survey as soon as possible, preferably by 11am on the day of the inspection, as this will give the inspection team more time to consider your views.

Please also see our operational note: www.gov.uk/guidance/january-2021-maintained-schools-and-academies for information about monitoring inspections from January 2021.

I hope many of you can take the time to support our school and make your report as requested. Thankyou in advance.

Yours sincerely

REWilliams
