Priorities

Area	Focus	Resources	Cost
Mental Health and Well-being	<p>Research has shown that a child's wellbeing has a positive impact on their level of attainment. Children who are able to understand and manage their emotions are far more equipped to deal with their day-to-day stresses. They're also more resilient when it comes to dealing with pressures e.g. tests, exams etc.</p> <p>Emotional Management Programme (EMP) for Children. This is delivered to all pupils from reception class to Year 6. It teaches children through a range of fun and effective exercises, how to:</p> <ul style="list-style-type: none"> ▪ Think positively ▪ Trust their own instincts ▪ Embrace new ideas and situations ▪ Relax ▪ Find the good in every situation ▪ Manage emotions ▪ Choose their response ▪ Practise appreciation ▪ Be emotionally resilient <p>The full programme is delivered in 30-minute workshops with each year group, once a week for 4 weeks.</p>	The Happiness Club: Emotional Health and Well-being Programme	£750
Reading	<p>To improve: engagement and enjoyment in reading; reading comprehension.</p> <p>Subscriptions to enable online reading and guided reading as well as increased comprehension and retention quizzes as well as phonetic development in reading material.</p>	Oxford Owls Fiction Express Shrewsbury Bookfest	£1,500
