Dear Parents,

Happy Easter

What a term! A great big thankyou everyone: staff, pupils and parents for keeping our children going with their learning over this really difficult time. I hope you all get a bit more freedom over the Easter holiday and the weather keeps as lovely as it is right now. We could definitely do with some fun in the sun!

It is with great sadness that I have to tell you we are losing two of our integral members of staff this term, everyone will miss Cathy Swinnerton and Claire Simpson very much, not least the children they have worked so closely with. I hope they will keep in touch and visit us when they can, I know you will join with me in wishing them all the best going forward.

We have enjoyed seeing the school return to a certain normality after so many weeks with so few children on site. We have enjoyed going to Forest School again, creating lovely art work and investigating scientific innovations over the last four weeks and of course being back with our friends. The PTFA have organised some lovely Easter activities which I hope many of you will enjoy. Thankyou to them for all their efforts dealing with restrictions and risk assessments!

We are hoping that some aspects of normality will return to our Summer term this year and I will let you know about a few of the exciting events being planned after Easter. Teachers will also be given two weeks when we return to meet with parents using Teams in order to talk about children's progress and any concerns going forwards. Appointments will be set up between you and teachers from 26.4.21 until 7.5.21. I hope you will all be able to take up these parent meeting opportunities.

Please enjoy the holidays, without teams and home learning and hopefully with more chance to meet up with family and friends outside.

Yours sincerely

REWilliams
