**To: All Parents/Carers
All Staff
All Members of the Board of Governors**

Governing Body Notice

Following the recent request for parent governor nominations to fill the existing vacancy of **one parent governor**, I can confirm that no nominations were received and therefore the position remains vacant.

The parent election process will begin again in the Autumn term, therefore I would be grateful if parents of Cheswardine and Hinstock Primary Schools could take some time to consider submitting a nomination for this role.

Further information is available on the school and DfE websites, or by contacting myself or the Clerk to Governors on governors@hinstock.shropshire.sch.uk.

Yours sincerely,

Rachael Williams
Executive Headteacher
