

How will Cheswardine Primary School spend their 2016-2017 Sports Premium Government Funding?

This Government funding is to be used purely on Physical Education. Schools can:

- Employ experts to train staff to have more expertise and confidence in delivering PE in schools
- Raise pupil achievement in PE lessons
- Develop more extra-curricular sports clubs
- Inspire children who are not yet engaging with PE
- Take part in more competitions
- Purchase more resources
- Support the leadership and management of PE
- Work in closer partnership with other schools

Budget Allocated from Government £8000 for September 2016 to July 2017

Projected Amount	Action	Impact
£3600.00	Sports coach – weekly visit working with staff on delivery of sports lessons	<p><i>As a school we will continue to enter inter school competitions:</i></p> <p>Oct 2016 – Uni Hockey for Year 2 children – Our team finished 2nd.</p> <p>Nov 2016 - High 5 / Basketball – Our Year 5 & Year 6 High 5 team finished 3rd. Our Year 5 & Year 6 Basketball team competed well.</p> <p><i>Further inter school competitions are being scheduled.</i></p> <p>We will continue to provide all the children swimming lessons at the local pool. This will support children in gaining greater confidence within the water and opportunity to gain achievement badges.</p> <p><i>The children entering into competitions will continue to develop greater team work, strategies for team play, and how to cope with defeat and success.</i></p> <p>The school will continue to look for extra sport providers to enhance the teaching of other sports.</p>
£2000.00	Membership to Sports Body / Active Sports	
£500.00	Transport to events	
£500.00	Resources	
£3000.00	Swimming and transport	
£800.00	Event costs	
<p>Total spending this academic year is projected to exceed the budget allocated from Government</p>
