

## How have Cheswardine Primary School spent their 2015-2016 Sports Premium Government Funding?

This Government funding is to be used purely on Physical Education. Schools can:

- Employ experts to train staff to have more expertise and confidence in delivering PE in schools
- Raise pupil achievement in PE lessons
- Develop more extra-curricular sports clubs
- Inspire children who are not yet engaging with PE
- Take part in more competitions
- Purchase more resources
- Support the leadership and management of PE
- Work in closer partnership with other schools

Budget Allocated from Government £8380.00		
Amount	Action	Impact
£3580.64	Sports coach – weekly visit working with staff on delivery of sports lessons	As a school for this period we have been able to enter more sports competitions. We participated in cross country, netball, basketball, swimming, rounders, unihoc and dodgeball competitions. Our rounders team progressed to the Level 2 round of the competition.
£927.50	Membership to Sports Body / Active Sports	We are still able to provide all the children swimming lessons at the local pool. Children have gained a greater confidence within the water and many achievement badges are completed.
£430.00	Transport to events	Three of our children represented North Shropshire in the cross country.
£593.32	Resources	The children entering into competitions have developed greater team work, developed strategies for team play, coping with defeat and success.
£2983.40	Swimming and transport	The school have actively looked for extra sport providers to enhance the teaching of other sports.
£807.34	Event costs	The school have gained the Silver award from the Youth Games.
<b>Total spending this academic year £9322.22</b>
