Reach for the Stars

20th April 2020

Dear Parents

Welcome back to a strange new Summer term.

I hope you all had a healthy Easter break and all your families are well. The staff are doing fine and have been very active putting more activities onto the website for you to access going forward into this very odd Summer term. **Please check your class page daily in the Parents' section of the website as teachers are setting new work everyday.**

We are currently open for the children of keyworkers only from 8:30am to 4.00pm and we are running a rota of staff providing care at Hinstock Primary School for the children of both schools. Moving into the Summer term I will be giving teachers set days to be in school which will mean they can be contacted by parents on 01952 550220 on that specific day if they are not self-isolating.

For your information: Mrs Jones can be contacted on Tuesday morning, Ms Dunn on Wednesday morning, Miss France on Friday morning and Mr Church on Friday afternoon. Miss Tomkinson is still very much involved but has no childcare so is not coming into school. The only difference to this would be if no children needed support on Friday then Mr Church would not be asked to come in but Mrs Williams would be available in the morning to pass any messages on.

I will be in school on Monday and Friday every week, as well as another day but that will vary. Please feel free to contact me on those days if you need to. Additionally, the admin email address is constantly manned throughout the week so any queries or concerns please email and we will reply as soon as we can.

I would also like to put together a rainbow of lockdown memories to open up conversations and have a sharing focus for when the children do return to school so if you have any memorable photos that you wouldn't mind sending in then I would get them ready to display in school on our return. This is only if you want to send through email and if you do not like to do this, I can always collect any physically when we return as well.

Please take care and stay safe.

Best wishes

Rachael Williams
