Our Ref:

Dear Service Provider,

Coronavirus COVID19 and Personal Protection Equipment

The Chief Medical Officer has raised the risk of catching coronavirus to high. To reduce the spread of infection, protect those most vulnerable and keep critical services going, we are asking you if you can help us.

This is a call to all businesses and organisations in the county, please help us to help your community. Shropshire Council provides support to a range of people and to do this safely we desperately need more personal protective equipment (PPE). If you own a nail bar, beauty salon, veterinary surgery or any other type of business that uses PPE and do have any spare unopened boxes, particularly gloves, aprons or goggles, we would be really grateful if you can let us have it, as a matter of urgency.

Please contact our PPE coordinator Mike Parry Mike.Parry@Shropshire.gov.uk if you are able to help us with this, they will provide further information on how we will collect it from you.

A big thank you in advance for your support.

Yours sincerely

Public Health,
