Write

Poems are often written to mark important occasions in history. Write a poem inspired by the 75th anniversary of VE Day. You may want to focus on the sacrifice that soldiers made during the war. You could look at an image of VE Day from 1945 and consider the sounds that you may have heard, as people celebrated the end of the war in Europe.

Explore

Medals are given for lots of different reasons. Investigate the different medals soldiers were given in the Second World War.

Then, try designing your own medal to celebrate VE Day.

Remember to include:

- the years of the Second World War;
- a symbol to signify the end of the war in Europe;
- labels to explain your choices.

You may like to use the Medal Worksheet included in the pack to help you.

Investigate

During the Second World War, Morse code was used as a method of communication, but do you know what Morse code is?

Using reference books and the Internet, explore what Morse code is and how people use it.
