

## Craft Instructions

# Diva Lamp Holder CD

### Supplies

- An old CD
- PVA glue
- A small paintbrush or small squeeze bottle
- Glitter
- Sequins or acrylic jewels
- Tea light

1

First, clean the shiny side of the CD. Then, paint some lines and blobs of PVA glue onto the shiny side of the CD.

2

Next, sprinkle some glitter onto the wet glue.

3

Then, dab some glue onto the CD and stick on some sequins or jewels. Allow to dry.

4

Place a tealight or diva lamp in the middle of the CD where the hole is and ask an adult to light it! Battery-powered tea lights may be more suitable, depending on the age of the child(ren).
