

Stone Age people - Palaeolithic

If you lived in the stone age, which tool would you use to catch a fish? (circle one)

Axe

Bow and arrow

Spear

How would you make an arrow in stone age Britain? (The BBC Bitesize video will help you)

What type of Stone was used to put on the end of spears and arrows? It was very sharp!

Where did people live in the Palaeolithic era?

Design yourself a stone age outfit. Remember to think about which animals lived in stone age Britain. You also need to label which animals you have used for you outfit.
