School Wishlist

School have expressed their wish for a piece of Artwork done by a local Artist Rory Mccann. This will be on the brick wall for all to see when visiting the school.

AB informed it would cost £1000 for the artist to create the artwork and involve the children.

Discussion took place on how to raise the money as all thought it is a brilliant idea. KW will email local business/ parish council and parish hall to see if they would like to donate and in return we could have a plaque made with all who donated.

Fed fest could also be an option where we can raise money for the Art work.
