Dear Parents/Carers

COVID Cases in school.

We have had positive COVID cases in Nursery and Class 1 this morning. We have also had positive cases in Class 3 following the Arthog trip, although children have not returned to school. **Please do not send your child into school if they are ill and particularly if they are showing symptoms of COVID.**

Current advice is:

If your child displays **symptoms you are advised to book a PCR test**. Only if a negative PCR result is obtained should the child come into school. If positive they should stay away from school but can return if they test negative with LFDs on days 5 and 6 and have no temperature. **If they test positive on a Lateral Flow device** they are also advised to stay off school for the same time period. **Please avoid sending your child in if poorly, whether they are symptomatic or not.**

Please see diagram below for advice on ending isolation.

Symptoms :

Anyone with the 3 main symptoms are recommended to get a PCR test and only return to school after a negative result. They should also consider contacting 111 for medical advice if required because these symptoms are not unique to COVID-19.

The 3 main symptoms of COVID-19 are:

A high temperature

A new, continuous cough

A loss or change to your sense of taste / smell

We will not return to earlier restrictions unless advised by Public Health Shropshire in the event of a COVID outbreak at our school. If this happens then the Contingency Plan will be put in place.

Yours sincerely,

RWilliams

Rachael Williams (Executive Headteacher)
