Goldstone Federation

16th February 2022

**To: All Parents/Carers
All Staff
All Members of the Governing Body**

Governing Body Notice

The following staff governor has resigned from their term of office and no longer sits on the Governing Body:

Gemma Watkins

I would like to thank Gemma for her invaluable hard work and support as a governor across the Goldstone Federation, particularly during very difficult times.

A staff governor election process was carried out on 7th February 2022 and only one nomination was received for the vacancy. The following applicant has therefore been elected unopposed:

Caroline Henderson

The Governing Body looks forward to working with them to support the school, staff and pupils.

Yours sincerely,

Rachael Williams
Executive Headteacher
