- Adapt their work according to their views and describe how they might develop it further.
- Annotate work in journal.

Experiment with ways in which surface detail can be added to drawings.

- Use journals to collect and record visual information from different sources.
- Draw for a sustained period of time at an appropriate level.

Lines and Marks

- Make marks and lines with a wide range of drawing implements e.g. charcoal, pencil, crayon, chalk pastels, pens etc.
- Experiment with different grades of pencil and other implements to create lines and marks.

Drawing Form and Shape

- Experiment with different grades of pencil and other implements to draw different forms and shapes.
- Begin to show an awareness of objects having a third dimension.

- Experiment with different grades of pencil and other implements to achieve variations in tone.
- Apply tone in a drawing in a simple way.

Texture

- Create textures with a wide range of drawing implements.
- Apply a simple use of pattern and texture in a drawing.

Digital Media

- Record and collect visual information using digital cameras and video recorders.
- Present recorded visual images using software.
- Use a graphics package to create images and effects with; lines by controlling the brush tool with increased precision.
- Change the type of brush to an appropriate style.
- Create shapes by making selections to cut, duplicate and repeat.
- Experiment with colours and textures by using effects and simple filters to manipulate and create images for a purpose.

Painting

- Experiment with different effects and textures including blocking in colour, washes, thickened paint creating textural effects
- Work on a range of scales e.g. thin brush on small picture etc.
- Create different effects and textures with paint according to what they need for the task.

Colour

- Mix colours and know which primary colours make secondary colours.
- Use more specific colour language.
