

English/Phonics:

This term we will be taking part in Picture Book Award from Bookfest.

This will include exploring these new stories:

How to Grow a Unicorn – Written by Rachel Morrisroe

Ned and the Great Garden Hamster Race – Written by Kim Hillyard

Maybe... – Written by Chris Haughton

Dogs in Disguise - Written by Peter Bently

In Phonics, we continue to follow the same Read Write Inc. programme.

PE:

Sports Day activities
Rounders

D & T:

Structures – To build structures.
To evaluate and re-build stronger structures.

Music:

Signed songs – Exploring songs through using Makaton/British Sign Language.

RE:

We will be learning about Christians and the 'Good News' that Jesus spread.

Science:

Healthy Living –

This term we will focus on the foods and lifestyles that are healthiest for us.

This includes diet, exercise, cleanliness and hygiene.

Castles **Summer Term 2** **2022**

History:

Castles –

We will be looking at the different structures of castles through out time, starting at a Motte and Bailey.

As we work our way through this unit we will look at different castle examples from all over Britain.

This is all leading up to a trip to Chirk Castle, where we will consolidate our learning.

Maths:

Year 1 / 2:

Volume and capacity

Statistics

Recap of addition, subtraction, multiplication and division

Reception:

Sharing and grouping

Even & Odd

Patterns & relationships

Computing:

Programming – Introduction to animation

PHSE:

This term we will be focusing on 'Our Bodies'.

This unit includes discussions about respecting ourselves and other people, stereotypes, lifecycles and how things can change in our lives.
