Reach for the Stars

6.9.22

Dear Parents / Carers

Welcome Back

On behalf of all of us at Cheswardine, I would like to welcome everyone back to an exciting new term and year, in particular all our new parents and children whether just starting at school or joining us from somewhere else, we hope you enjoy your time here where we aim to **reach for the stars**.

A reminder to everyone that school meals are now £2.30 and the menu is set to change at the end of October, we will send out the new menu as soon as we have it. Nursery as well as school children can order a school meal if required. KS1 children are entitled to free school meals.

We are working hard on dates for the coming term and will send these out shortly. Each class should send an update out on what they are covering over the term and how you can help your child with their learning. The most important activity you can do is to read with your child, please take time to do this each day if possible.

I am sure you will join with me in congratulating Miss France on getting married over the Summer Holidays and if the children now refer to a 'Mrs B or Mrs Battams', that is who they are referring to. We are all pleased that everything went perfectly and she had a fantastic time.

The children looked incredibly smart this afternoon and the togetherness of uniform was evident. I have reminded them about PE uniform as well and hope that you will support us by sending children in correct uniform on their designated PE days. The teachers should let you know these as soon as possible.

Goldstone Federation

Together we SHINE

Hinstock Primary School
and Hedgehogs Nursery

We opened the gates this morning at 8:40am and it was great to see children coming in and being ready to learn by 8:45am. Just a warning though, Nursery doesn't open until 8:45am so younger children will need to come in then.

Please remember that if your child does not turn up at school then we have a duty to check where they are and will be phoning to find out as soon as we can. Therefore if your child is absent please phone the school in the morning and let us know.

Please keep an eye on our website: www.cheswardineschool.org.uk for any updates and information you require. We operate a paperless system as much as possible so any letters are posted on <http://cheswardineschool.org.uk/category/schoolnews/> and your attention will be drawn to them through a text message sent from the school or through clasdojo.

Feel free to contact the school to make an appointment to see me if you have any concerns about your child or the school, I will always make time to see you and sort out any issues however large or small as best I can.

I look forward to a fantastic year at Cheswardine with as little disruption as possible, as we work to ensure that we become the best we can possibly be.

Yours sincerely

REWilliams
