School governors are volunteers who work together as a governing board. They have a single aim which is to harness their skills and abilities in a planned, determined manner to enable 'school improvement'.

Governors are people from all walks of life who commit to approximately 2 meetings per term and occasional events. You can become a governor if you have:

- an interest in education;
- time, energy and enthusiasm;
- common sense;
- a willingness to accept responsibility and learn;
- the ability to work and contribute in a team.

NO prior knowledge is necessary as a comprehensive range of training and support is provided.

**This is an opportunity to harness your skills and acquire new ones whilst
making a real difference to the lives of children and young people.**
