

MUSIC- LET YOUR SPIRIT FLY.

RECAP

Pulse, rhythm, verse and chorus.

CRUCIAL KNOWLEDGE

RnB is a mixture of Soul, Hip Hop and Gospel music.

How to find and demonstrate the pulse.

Pulse is the steady beat which runs through a piece of music.

Rhythm is a pattern of sounds of different lengths.

A musical question is a phrase that ends with a high or unfinished note. A

musical answer is a phrase which ends on a low note or resolved note.

EXTENDED KNOWLEDGE

Funky rhythms, tempo changes, dynamics.

Know how pulse, rhythm and pitch work together to create a song.

KEY VOCABULARY

Structure	The order different parts of the song are played in.
Introduction	This sets the mood for the song and comes before the main part.
verse	A set of lines that tells and develops the story of the song.
Chorus	The part of a song which is repeated several times after a verse.

Pulse	Series of uniformly spaced beats
Rhythm	Describes the length of musical sounds.
Pitch	Highness or lowness of a sound.
Tempo	Is the speed of the beat.
