

Wrap Around Care January 2025

As part of the government's plans to provide parents with more opportunities for Breakfast and After School places we are working on being able to offer Breakfast club from **7.45am** and After School Club until **5.45pm from January 2025 everyday** but there are some conditions attached to this offer.

At present we are offering breakfast club for three mornings a week and these are booked weekly in advance, with parents only able to request last notice childcare if there is a session going ahead. This requirement **must continue** and there will be **no last minute booking for time requirements after 5pm**, only those booked in advance can be accommodated until 5:45pm. Without sufficient prior notice we cannot guarantee we will have staff on site to cover the provision.

We will provide term time care for children 3 – 11 years, before and after school, in an Ofsted inspected setting with qualified staff and a wide range of resources and facilities.

Breakfast Club

7.45am – 8.45am

Afterschool Club Sessions

3.15pm – 5.45pm

Children are cared for in the secure environment of the school buildings and fenced outdoor areas. Our clubs are organised and run by fully qualified staff who are already employed within school and nursery. Staff are trained in First Aid and Basic Food Hygiene as well as other educational, Special Educational Needs and Safeguarding related qualifications.

We plan our clubs with care and offer a range of different activities daily.

Breakfast Club will cost: £5 per session for 07:45 until 08:45 (Any pupil premium children will be supplemented and will be charged £3 per session)

After School Club will cost: £10 for any stay up until 17:00 and £12 until 17:45, children will need to be picked up by this time. (Pupil premium pupils will be charged £6 until 17:00 and £8 until 17:45)

Any club running before these times will also be included as an activity relating to wraparound care – only the present club that runs on a Monday will continue to be free, as it is supported by Sports Grant.

Therefore for clubs on site from Tuesday to Friday: from 3:15pm-4:15pm there will be a charge of **£5 per session**. Pupil premium children will be charged £3 per session.
