To Parents and Guardians

On 27th February, we have organised a Whole School Art Day. This involves making and decorating clay bowls, painting famous pieces of art and an external artist coming in to work with children on specific art projects.

We would like to offer children as many opportunities as possible to be creative and to bring their creations home. There will be a cost due to the amount of materials we will be using. The cost for Class 1 and 2 will be £6 payable only through ParentPay - they will be creating African Animals, making and decorating their own bowls amongst other art activities. The cost for Class 3 will be £8 payable only through ParentPay - children in class 3 are learning about the Staffordshire potteries, therefore they will have a tailor-made workshop from our external artist, they will create and decorate their own bowls, and they will also be creating wire sculptures, amongst other art activities.

The photos below give you a glimpse of some of the projects we are aiming for.

Yours sincerely

Miss Gray

Teacher - Art Lead
